

COURSE SELECTION

GRADE 9 to 10

2020-2021

Course Selection

- This Course Selection Sheet is like a **contract** between YOU & BCSD
- All schools are staffed and timetabled based on how you complete your Course Selection Sheet
- Only those courses with a *sufficient* number of students registered (by April 2021) will be able to be offered and run in September 2021
 - Class that have too few students selected will be cancelled for the 2020-21 school year
 - This may occur after Course Verification Sheets are sent out in May, so it's very important to have alternate choices for your electives "just in case"

Course Selection

Sometimes it is NOT possible for us to give you your 1st Choices (usually in electives)

- That's why we need to know what else you might want to take
- By picking an “alternate” the computer knows what else to try and fit in your timetable
- YES, there is always a possibility an alternate will be in your timetable, so pick WISELY!!
- If you pick it, and you get it in your timetable, you will be required to stay in it

Course Selection

- ALL Burnaby South Students are required to take **8 Courses *INSIDE*** the Timetable
- ONLY Students with *incomplete* Timetables or *legitimate* errors will be approved for a course correction in September 2021
 - Legitimate Errors For Example Are:
 - *You have already completed the course you're enrolled in*
 - *You require the course for University Admissions*

Course Selection

- What is NOT a Legitimate Error?
 - *Not “liking” your course you’re enrolled in*
 - *Not having any friends in your class*
 - *Not liking the time of day the class is in your timetable*
 - *You want to have a specific teacher*
 - *You change your mind*
- MAKE YOUR CHOICES CAREFULLY!!
- **Remember:** There will be NO Course Changes in September
